

CloudTask Usage & Plan Limits

Category: Product | Version: 1.0 | Document ID: usage_and_limits

1. Storage Limits

- Free: 500 MB total workspace storage
- Pro: 50 GB total workspace storage
- Business: 500 GB total workspace storage

2. Automation Limits

- Free: 2 active automations
- Pro: 20 active automations
- Business: unlimited automations

3. API Rate Limits

- Pro: 100 requests per minute per API token
- Business: 500 requests per minute per API token

See the API Error Guide, Section 3, for details on rate limit responses.

4. Guest and Member Limits

- Free: 2 members, 5 guests
- Pro: 20 members, 20 guests
- Business: unlimited members and guests

5. Exceeding Plan Limits

5.1 If a workspace exceeds its storage limit, new file uploads are blocked until storage is freed up or the plan is upgraded.

5.2 If a workspace exceeds its member limit due to a downgrade, the account owner is given a 7-day grace period to remove members before the downgrade is enforced, as described in the Subscription Policy, Section 3.
